

Another Show

Em

Bad dreams running wild

D C

And darkness amplified

Em

But you still see the smile

D C

I want you to see

Em

They won't recognise

D C

The pain you try to hide

Em

And you keep telling lies

D C

To keep them at peace

Em

But it's cold inside

D C Em

The mind that once could set the sky alight

D C

At night black velvet swallows you

Em D C

And can you think of what it might be like

Em D C

If you felt nauseous every time you smiled?

Em D C

Just an off-hand comment eats you up inside

But is it all inside your mind?

Em D C

And it's been so long but it won't let go

Em D C

It's a mad world but it's all you know

Em D C
You can't feel love but you know it's close
Em D C
So come on, wire it up, watch it glow
Em
Put on another show

Em
It's too hard to control
D C
This broken electric soul
Em
It's too much, I don't know
D C
If I can be free
Em
But you know you'll survive
D C
You've been here a hundred times
Em
But still it's hard to find
D C
Desire to be

Em
But it's cold inside
D C Em
The mind that once could set the sky alight
D C
At night black velvet swallows you

Em D C
And can you think of what it might be like
Em D C
If you felt nauseous every time you smiled?
Em D C
Just an off-hand comment eats you up inside

But is it all inside your mind?

Em D C
And it's been so long but it won't let go

Em D C
It's a mad world but it's all you know

Em D C
You can't feel love but you know it's close

Em D C
So come on, wire it up, watch it glow

Em
Put on another show

Em D C
It's just a big blank space so colour me in

Em D C
I wanna feel something so I won't dive in

Em D C
Look what a mess you made all covered in sin

Em D C
And have you lost yourself cos you wanted to sing

Em D C
And it's been so long but it won't let go

Em D C
It's a mad world but it's all you know

Em D C
You can't feel love but you know it's close
