That I'm grieving  
Cm/Ab  
For no reason  
Cm/F Cm/Bb  
Just an empty vessel longing for some

Cm Cm/Bb  
Life, dancing around like it's all fine  
Cm/Ab  
You see me laugh in the sunshine  
Cmb6/F Cm/Bb  
Desperate plea for a lifeline, inside

All of the glitter and jam jars of gin  
Cm/Ab  
You're holding my hand as we're dancing to Slim  
Cmb6/F  
It's a cool night  
Cm/Bb  
Hold tight

Cm  
You and me, we're always running through life  
Cm/Bb  
Iridescent, fluorescent and sparkling with light  
Cm/Ab  
Laughing and crying and painting our smiles  
Cmb6/F  
It's a cruel life  
Cm/Bb  
Hold tight
